Seven juvenile offenders on leave from various reform schools are doing the 1,300-kilometer pilgrimage on foot with a counselor and some assigned wardens from the state. The youths are under strict observation with at least one of the supervisors with them at all times. Once the seven finish the pilgrimage, they will be released. Will they rejoin society or leave it behind? Genre and market: A 50,000-word thriller. The Seven Samurai meets The Fugitive for young adults.
