CHURCH HISTORY, VOLUME TWO VIDEO LECTURES: FROM PRE-REFORMATION TO THE PRESENT DAY

ZONDERVAN, United States, 2017. DVD video. Condition: New. Language: English . Brand New Book. Church History, Volume Two Video Lectures features 22 lessons (on 3 DVDs) and offers a unique contextual view of how the Christian church spread and developed from Reformation times to the present. It did so not in a vacuum, but in a setting of times, cultures, and events that both influenced and were influenced by the church. These lectures help explore the integral link between the history of the world and that of the church. A companion to the widely used textbook Church History, Volume Two by John D. Woodbridge and Frank A. James III, the lectures feature the authors teaching through each chapter in the book. Designed with the student in mind, each lecture is approximately 30 minutes in length. The lectures recount the ups and downs, the triumphs and struggles, of the Christian movement. Primary attention is given to the history of Christianity in the West, but developments in Africa, Eastern Europe, Asia, and Latin America are also covered. Useful for traditional students, students in distance and online courses, and independent learners alike, these lectures provide a full introduction to church history from the period just prior to the Reformation through the next five hundred-plus years. Session Titles and Runtimes: 1 - European Christianity in an Age of Adversity, Renaissance, and Discovery (1300-1500) (25 min) 2 - The Renaissance and the Christian Faith (37 min) 3 - Luther s Reformation: A Conscience Unbound (35 min) 4 - The Swiss Reformations: The Maturation of International Calvinism (33 min) 5 - Radicals and Rome: Responses to the Magisterial Reformation (30 min) 6 - Reformations in England: The Politics of Reform (16th Century) (25 min) 7 - Refining the Reformation: Theological Currents in the Seventeenth Century (35...
