THE GENTLEMAN: A DYING BREED IN AMERICA (PAPERBACK)

Wavecloud Corporation, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Just a few years ago, you could see men being chivalrous to women everywhere you turned. It could be something as simple as helping her put on her coat or pulling out her chair, but it was normal and accepted behavior. Men went out of their way to have good manners, show proper etiquette, and be polite to women. Times have changed, and now these attentive acts are few and far between. It is uncommon to see a man treating a woman with the same etiquette as in the past. Why the drastic change? What can we do to bring back The Gentleman?.
