

An Examination of Conscience of the Understanding: Empirical Proof of the Existence of God (Paperback)

By Richard L Scott

Dorrance Publishing Co., 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Seeking his own utmost depth of comprehensive understanding, the author sets out to prove empirically that God exists. The seed of proof is the Birth Paradox, its florescence a faith grounded in his spirituality disposed soul: As empirically real as his conscious self, as mathematically certain as the probability laws of genetic science, as necessary as that the universe requires a creator for its rational possibility, as immanently intuitive as the Divine Allegory he mirrors. The Birth Paradox is the contingency of personal conscious existence on the body. Is there any scientific or commonsense belief as certain of itself? And yet, as a practical proposition, it is an utterly impossible conjunction! Personal consciousness is necessary specific to its own experience, a subtly profound tautology! How is it, then, that one s necessary being can be dependent on a chance body? About the Author Richard L. Scott was born and raised in the small village of Lewisville (Monroe County), Ohio, the third of twelve children. He attended Ohio State University in Columbus, earning a B.S. in Education in 1958 and an M.A. in...
